- *Supports entire range of LeCroy oscilloscope line*
- *OC1024 provides a drawer for safe storage of small, delicate leads and cables*
- *OC1024 has "pegboard" style side panels for storage of probes, cables, and accessories*

OC1024 & OC1021 scope carts are sturdy and mobile.

The new line of instrument carts from LeCroy provides users with a compact, mobile tool for keeping all of their LeCroy test equipment handy. In today's test and measurement environment, floor space is at a premium and workflow patterns change frequently. These carts create a whole new category of mobile workstations designed to address workspace confines.

By making LeCroy's technology mobile, the carts make it easier and less costly to work with high performance test and measurement tools.

The OC series carts accommodate WavePro, Waverunner, LCXX, 93XX, LAXX, and 94XX Series Oscilloscopes from LeCroy.

LeCroy
